Listen to the talk about the homework during summer vacation from the ALT, and choose the best answer for questions 1, 2 and 3.

Let's start.

Today is the final class before summer vacation. You will have thirty-four days of vacation, so I will give you some homework to do. For your homework, you must write a report about a problem in the environment and you must write more than one hundred words in English.

We have read about many problems in the textbook. The textbook says that there are many kinds of problems like water problems or mountain fires. The textbook also says that everyone in the world should think about how to save the environment from these problems. So, in your report, write about one of the problems in the textbook that you are interested in. If you want to know more about it, read more on the Internet or in books at the city library. You can use the school library in July, but in August, it will be closed until August twenty-first. You can use pictures or graphs to support your report, but you need to show where they came from. Please give me your report on the first day after the vacation.

Question 1 : What do the students have to do for their homework?

Question 2 : How long will the school library be closed in August?

Question 3 : Which is true about the talk from the ALT?

Let's start.

Mom : Hi, Mark. How are you?

Mark : I'm good. Thanks for calling, Mom. It's pretty late in Canada, isn't it?

Mom : Yes, it's ten p.m. now, but I wanted to hear about your life in Japan.

Mark : I'm having a great time here. At school, some of my classmates are interested in Canada. They ask me a lot of questions about my country, so I really enjoy talking with them.

Mom : Good. How's your host family?

Mark : I like them and they are very kind to me. They are taking me to Shizuoka next Sunday.

Mom : Shizuoka?

Mark : Yes. It's a popular place for sightseeing. Shizuoka is famous for Mt. Fuji and the beautiful views.

Mom : I know Mt. Fuji is the highest mountain in Japan. I'm sure that'll be very fun.

Mark : Japanese green tea from Shizuoka is also famous.

Mom : I've never tried Japanese green tea. Is it good?

Mark : Yes. It helps me relax.

Mom : Sounds nice. I'd like to try it.

Mark : My host father said that we can try a lot of delicious Japanese food there. I'm really excited.

Mom : That's great! Take a lot of pictures for me while you are there.

Mark : OK. I will.
