Let's start.

Shota : Hello, Ms. White.

Ms. White : Hi, Shota. Where are you going?

Shota : I'm going to the library to borrow some books.

Ms. White : That's good. You really like reading, right?

Shota : Yes, very much. I read about five books a month.

Ms. White : Do you read books in English?

Shota : No. That's too difficult for me. I'm not good at English.

Ms. White : Don't say that, Shota. I wasn't good at Japanese at first. So, I started with comics in Japanese. Comics have a lot of pictures. They helped me a lot. Why don't you try some English comics?

Shota : OK, I think I will. By the way, what kind of books do you like the best?

Ms. White : History books are my favorite. When I was a junior high school student, my father bought me some history books. They were very interesting. Since then, I've been interested in history.

Shota : Really? I sometimes read history books, too. But I usually read science books. I want to be a scientist someday.
